

# PADI Freediver Instructor Trainer Course

## Fact Sheet

### Prerequisites

To apply to attend the PADI Freediver Instructor Trainer course, an individual must:

- Be renewed and in teaching status as a **PADI Master Freediver Instructor**
- Have completed an **Emergency First Response Instructor Trainer** course. If not already certified, you may complete the training prior to the PADI Freediver Instructor Trainer course and complete all requirements to gain the EFR IT rating within 12 months of becoming a PADI Freediver Instructor Trainer. The EFR IT course has a separate course fee.
- Have **experience teaching all PADI Freediver program levels** beyond those required for the PADI Master Freediver Instructor level
- Have **experience staffing PADI Freediver Instructor training courses**
- **Not have any verified Quality Management complaints** in the last 12 month prior to the course date
- Have **been accepted into a PADI Freediver Instructor Trainer Course**

### Dates

- **12 May 2019** – Emergency First Response Instructor Trainer Course
  - For prerequisites and to register click [here](#) (additional fees apply)
